A Request from the Author

If this book was useful to you, please take a minute to leave an honest review. Reviews are how new readers find my books, and they are what make it possible for me to keep writing this series.

Thank you!

How to leave a review

Scan the code with your phone's camera, or visit

pauldejong.com/review

Then choose Amazon, Goodreads, Barnes & Noble, Kobo, or Apple Books.

Bought it somewhere else? You can still review it on Amazon or Goodreads, no matter where you bought your copy.

What to write: a few sentences is plenty. What did you use the book for, and who would you recommend it to?

Instructors: if you use this book in a course, I would love to hear from you. There is a link on the same page.
